<u>ABSENCE REPORTING</u>	

Each time a student is absent from school, or late to school, it is the parents' responsibility to call the school before 10:00 A.M. to provide an acceptable excuse of the student's absence. If no call is received, we are required, as part of the child Abduction Law, to call the student's home or the parent's work to confirm the student's absence.

ARRIVAL AND DISMISSAL

School hours are **9:10 A.M. to 3:20 P.M.** The school is not responsible for your child before school hours, after school hours, or when they are not on school property. Students who walk to school or are brought to school must not arrive before the designated building time. Attendance is counted as follows:

- Student arrives from 9:10-9:25 --student counted tardy
- Student arrives after 9:25 --student counted absent one half day
- Student leaves before 3:00 --student counted absent one half day
- Student leaves between 3:00-3:19-- is considered an early dismissal

Students who accumulate 4 tardies or 4 early dismissals will be counted one half day absent. Students must be present in school at least 180 minutes to be counted as a half day of attendance. All students who ride to school on the bus must go home on the bus unless a note or a call from the parent is provided. All students will ride the bus home if their rides are not at the school when school is dismissed.

Students arriving late or leaving early must be signed in/out by the parents.

ATTENDANCE

All students between six and eighteen years of age must be legally enrolled in regular school attendance. (Ohio Revised Code Section 3321.01) Attendance is the responsibility of the student and parent. The only tardiness or absence from school which will be excused are those defined in Ohio law and confirmed by parents or legal guardian. When a student's absences and/or tardies become excessive, parents/guardians will be notified by the building principal. If absences continue, the Coshocton County Juvenile Courts will be notified in accordance with Ohio law. Absence from school for any reason than those listed below and recommended by the State of Ohio Board is not acceptable.

Acceptable reasons for "Excused Absence" are:

1. Personal illness (Students who are absent and need a physician's care, are required to present a physician's excuse the day the child returns to school.)
2. Illness in the immediate family
3. Death of a relative
4. Quarantine
5. Emergency or set of circumstances judged as sufficient cause by school authorities
6. Observance of religious holiday
7. Take your child to work day (1 day with verification from parent's employer)

PROFESSIONAL APPOINTMENTS

Students are not counted absent when attending a professional appointment, when the appointment including travel does not exceed two hours. Professional appointments include, but may not be limited to, doctor, dental, and orthodontist appointments, physical therapy, and court appearances. The student must bring an appointment card or slip back to school upon returning from the appointment.

FAMILY VACATIONS

Absences for family vacations are excused under school board policy with prior notice in writing to building principal. Students will be permitted to make up work missed during these absences. Teachers are under no obligation to prepare work in advance. Family vacation absences will count toward the 15 day maximum.

MAKE-UP WORK

Students who have excused absences [or are on family vacations] will be given one additional day more than the number of days missed to make-up assignments. For example: 2 days absence would equal 3 days to make up work.

COSHOCTON COUNTY FAIR

Students are expected to be in school when school is in session during the fair. Students will be **excused** ONLY if they provide a signed note from their advisor and parents verifying a show or activity.

MAXIMUM ABSENCE: 15 Days

The maximum days a student can miss and still be promoted is 15. Students must present a physician's excuse for any days missed after the maximum number of missed days have been used. If a physician's excuse does not accompany any days missed over 15, the day will be marked unexcused. **Days missed over 15 and accompanied with a doctor's excuse will not be counted unexcused.** It is recommended that students bring a doctor's excuse whenever he or she is under a doctor's care.

TRUANCY

Truancy is declared when a student is absent from school without authorization and without parent consent. All River View Schools participate in the Coshocton County Truancy Program. Students who miss four or more days of unexcused absences will be reported to the Coshocton County Juvenile Court for investigation.

BOOK BAGS/BACKPACKS

Students will be permitted to carry school bags and/or backpacks to and from school but NOT between classes. ***As a school bus safety measure, keep backpack straps short.***

CLOSINGS OR DELAYED OPENINGS

In case of inclement weather and school is closed or the opening is delayed the announcements will be broadcast over the following radio stations and television stations:

WTNS	Coshocton	99.3 FM	WKLM - Millersburg	95.3 FM
WHIZ	Zanesville	102.5 FM	WCLT - Newark	100.3 FM
	Columbus:	TV Channels 4, 6, and 10	Zanesville:	WHIZ-TV

An automated call system is also in place. You should receive a recorded message in the case of school closings and delays. Also, go to www.river-view.k12.oh.us for information regarding closings.

If you do not hear **RIVER VIEW LOCAL SCHOOLS** mentioned concerning delays or cancellations, then the buses will be running their regular schedules. Occasionally, due to snow, ice, or fog, the buses may be 5 -10 minutes late while running their regular route. In the event school would dismiss early due to inclement weather or other emergency, closings would be announced on the radio stations listed above.

CUSTODIAL PARENTS

In order to protect your child if you are divorced or separated, Ohio law requires legal proof of custody or guardianship. It is the parents' responsibility to provide a copy (certified copy with clerk's seal) of the divorce decree or shared parenting agreement to the school office. Failure to do so could result in your child being released to the noncustodial parent. Relatives and family members may not make informal custody changes by letter or affidavit. All custody changes must be court approved. **THE SCHOOL WILL NOT BE RESPONSIBLE FOR ANY CUSTODY DISPUTES/ISSUES IF CURRENT CUSTODY DOCUMENTATION IS NOT ON FILE IN THE SCHOOL OFFICE.**

DRESS CODE

The Board of Education believes that a positive relationship exists between a student's appearance and his/her attitude, conduct, and progress toward attainment of ultimate educational goals. In keeping with this belief, we ask that students follow these guidelines:

1. Hair should be kept in a neat and clean fashion. Additives, such as glitter, are not permitted.
2. Dress should show modesty and good taste. Acceptable dress for school is defined as proper/adequate coverage. Tops with spaghetti straps, midriff tops, short skirts or shorts are NOT permitted. NO torn or baggy clothing is permitted at school. Underwear must not show. SLEEVELESS garments must come to the shoulder and fit closely under the arms.

3. Students shall not wear any clothing articles or accessories that have slogans or words which are in poor taste, including but not limited to advertising or promoting tobacco products, alcoholic beverages, drugs or drug paraphernalia.
4. Student footwear will adequately protect a child's foot and be worn at all times.
5. **PLEASE** put your child's name in his or her coat, hats, sweaters, gloves, etc.
6. In all questions of students' attire and its appropriateness for school, the decision of the building principal shall be final.

EMERGENCY INFORMATION

It is the parents' responsibility to return one emergency form per child indicating where someone can be reached in case of an accident or illness. **PLEASE NOTIFY THE SCHOOL OF ANY CHANGES IN THE STUDENT'S PERSONAL INFORMATION - SUCH AS CHANGES IN ADDRESS, PHONE NUMBERS, MEDICAL HISTORY, EMERGENCY NUMBERS AND SO ON.**

FEES

Supply fees will be set by the Board of Education, and posted in each of the elementary buildings. Fees are due at the end of the first grading period. If you are unable to pay the fees by this date, please notify the office to make other arrangements. Unpaid school fees will be carried over, and the total amount owed will accumulate from one year to the next. Persons who receive ADC/Disability Assistance are not always required to pay fees. However, a fee waiver application must be requested from the school office and submitted to the principal with verification of assistance.

FIELD TRIPS

Field trips conducted throughout the school year are correlated with educational experiences of the student in the classroom. To help make this activity worthwhile and positive for our students the following rules are in effect.

1. Parents will be asked to sign permission slips when students leave school for a field trip. The parent's signature acknowledges that the parents are aware that their child will be away from the school and that they are aware of the nature of the trip and its purposes.
2. Parents have the right to deny participation.
3. The school reserves the right to deny individual student participation in a field trip due to the student's record of misconduct as it may be viewed as a detriment to the class participation and the benefit to others. Missing and/or incomplete assignments **may** also be a factor in determining a student's privilege to participate in a field trip.
4. Parents asked to chaperone may not bring younger children.
5. Due to bus space and the requirements of the field trip, only a limited number of chaperones may go on a field trip.

FIRE/TORNADO AND SAFE SCHOOL DRILLS

Fire and tornado drills are required by state law. They are important safety precautions, and it is essential that everyone promptly obeys the first signal. Each classroom teacher will explain and post the students' instructions. Running and talking will not be tolerated.

GIFTS

Balloons, flowers and other gifts may not be delivered for students at school.

LIBRARY

Students may check out books for one week. Books may be renewed if no one else has requested the materials. Anyone having overdue materials must return them before checking out more. If materials are lost or damaged, the student who checked them out will be responsible for paying for replacement or repairs.

• PRESCRIPTION MEDICATION

The River View Local Board of Education strongly recommends that required medication be administered in the home. If this is not possible, only prescription medication will be administered to students according to regulations mandated by ORC 3313.713. The medication must be sent to school in the original container. All medication must be dispensed by a school staff member. In addition to a signed, written request by the parent or guardian, a statement signed by the doctor prescribing the medication which contains all of the following information is also required:

1. The student's name and address.
2. The school and class in which the student enrolled.
3. The name of the drug and the dosage to be administered.
4. The times or intervals at which each dose is to be administered.
5. The date the administration of the drug is to begin.
6. The date the administration of the drug is to end.

9. Signature of physician

Forms for the administering of prescription drugs are available in each elementary school office and on the school website.

• INHALERS

According to the ORC 3313.716 students may possess and use a metered dose inhaler or a dry powder inhaler to alleviate asthmatic symptoms. The school must have written approval from a physician and parent/guardian.

Special forms are available in the school office or on the school web site and must be completed before a student may possess an inhaler at school.

- **BEE/INSECT STINGS / ALLERGIES**

In case of bee or insect stings and other severe allergies, the parent is responsible for providing the school with the appropriate medication and a physician's statement about how the medication is to be administered.

According to the ORC 3313.718, students may possess and use an epinephrine auto injector to treat an allergic/anaphylactic reaction. The law requires:

1. Acknowledgment that the prescriber has determined that the student is capable of possessing and using the auto injector appropriately and has provided the student with training in the proper use of the auto injector;
2. The school has received a backup dose of the anaphylaxis medication; and whenever an auto injector is used, school employee shall immediately request assistance from an emergency medical service provider.

Special forms, available in the school office or on the school web site, must be completed before a student may use or possess an epinephrine auto injector.

NON-PRESCRIPTION MEDICATION

Non-prescription medications (cough syrup, Tylenol, Advil etc.) WILL NOT be administered in school unless the guidelines for prescription medication are followed.

ILLNESSES AT SCHOOL

Children who become ill at school can be better cared for at home. It is the parents' responsibility to provide the school with names and phone numbers of others who can care for the sick child if parents are not available. These names and numbers should be noted on the Emergency Medical Authorization form and updated if information changes throughout the year.

STUDENT ACCIDENT INSURANCE

An accident insurance policy is available to students and teachers desiring coverage. The policy offers insurance protection to pupils on their way to and from school, while at school, and when participating in a school organized activity. Information about cost will be sent home.

VISITATION POLICY

The River View Local Board of Education welcomes and encourages visits to school by parents, other adult residents of the community and interested educators. To insure that the educational program continues undisturbed when visitors are present, persons wishing to visit the school should make arrangements with the principal in advance. Visitors must register at the office upon arrival, and wear the school's "Visitor's Badge" displayed prominently on the shirt or jacket. [Please note: This is for the safety of all children.]

TEACHER QUALIFICATIONS

You have the right to know about the teaching qualifications of your child's classroom teacher. The federal law, No Child Left Behind, requires that any local school district receiving federal Title I, Improving the Academic Achievement of the Disadvantaged, must notify parents of each student attending any school receiving Title I that they may request information regarding the professional qualifications of the student's classroom teacher, including the following:

1. Whether the teacher has met the Ohio teacher licensing criteria for the grade level and subject areas in which the teacher provides your child instructions.

2. Whether the teacher is teaching under emergency or temporary status that waives State licensing requirements.
3. The college degree major of the teacher and any other graduate degree or certification (such as National Board Certification).

CODE OF STUDENT CONDUCT

This code applies to all River View School District students' conduct while in the building, on the school grounds, on the school bus, and all curricular and extra-curricular activities. It is the intent of the River View Board of Education to provide an effective learning environment in the River View Schools. A major factor in establishing this learning environment is an atmosphere of good order and discipline. The following violations, while not inclusive, may result in disciplinary action, including but not limited to: In/Out of School Suspension, Emergency Removal, and/or Expulsion.

PART 1 – VIOLATIONS

ARSON

No student shall willfully set fire or attempt to set fire to any property of the Board of Education of the River View School District.

ASSAULT

A student shall not cause physical injury or behave in such a way which could threaten to cause physical injury to school staff, other students, or visitors, while under the jurisdiction of the school.

BULLYING

Bullying is an ongoing, intentional act with the intent to do harm by a person in a more powerful position than the victim. Refer to the board policy (JFCF-R).

CHEATING

No student shall be permitted to cheat by either giving or receiving answers or information. Appropriate discipline will be administered.

CONTINUED CLASS OR ACTIVITY DISRUPTION

No student shall be repeatedly involved in actions which disrupt the educational process in a classroom activity or other organized functions of the school.

DANGEROUS WEAPONS AND INSTRUMENTS

A student shall not possess, handle, transmit, or conceal any object which might be considered a dangerous weapon or instrument of violence.

DEGRADING ACTS

A student shall not engage in an act which degrades him/herself or others at the school or at school activities. Prohibited are obscene gestures, actions, words, possession or circulation of pictures, writings, publications, etc., which are degrading or obscene.

DISRESPECT

No student willfully intimidates, insults, or in any other manner abuses verbally or in writing any member of the school staff or student body.

DISRUPTION OF SCHOOL

A student shall not by use of violence, force, coercion, threat, harassment, insubordination, or repeated incorrigibility, cause disruption or obstruction to the educational process, including all curricular and extra-curricular activities.

DISTRIBUTION OF UNAUTHORIZED PRINTED MATERIALS

Distribution of printed materials by students must conform to the Board of Education guidelines.

ELECTRONIC COMMUNICATIONS EQUIPMENT

Students may be allowed to possess cellular telephones and other electronic communications devices while on school property or while attending school-sponsored activities on or off school property, as long as these devices are turned off during school hours unless instructed otherwise by the teacher. First time violators of this policy are reported to the principal, who confiscates the device and holds it in his/her office until the end of the school day. Second violation, the parent must come to school to pick up the device. On the third offense, the device will be kept until the end of the school year. The district assumes no liability if these devices are broken, lost, or stolen.

The River View Local School District recognizes and values the use of technology and encourages students to use it in a responsible and respectful manner while abiding by the following guidelines. While using any electronic device the Acceptable Use Policy (AUP) applies.

1. Cell phones, iPods and other devices may be used until 9:10 A.M., and then all devices must be turned off and out of sight, unless a staff member directs you otherwise. (i.e.) Having the student put their cell phone/electronic device on their desk at the beginning of class.
2. Cell phones, iPods, and other electronic devices **may be used** in areas designated by the building principal (such as the gymnasium while waiting for a bus.) Use of your cell phone/electronic device is limited to listening to music and being on educational websites.
3. Making phone calls or texting is not permitted.
4. Cell phones and other communication devices **may not** be used while walking in the hallways.
5. No student is permitted to take pictures, video, or any voice recordings of any other student or staff member without that person's consent. Taking such a picture, video, or recording is a major offense of the Code of Conduct for Insubordination and may result in further discipline. Any device used to take a picture, video, or recording may be confiscated by school administration and/or be turned over to the proper authorities.
6. At no time will a cell phone, camera or any recording device be permitted in any restroom.

When listening to any form of music the following restrictions apply:

1. The earphones/earpiece must be plugged into the device.
2. One, and only one, earphone/earpiece may be worn at a time.
3. The music being played must not be loud enough to be heard by another person.

Notice:

If an electronic device is taken away from a student and is suspected of inappropriate or illegal activity, the school administration will contact authorities who have the right to search that device and its contents, including messages, images, and other items. Failure to comply with a staff members request is deemed to be insubordination.

If a student contacts a parent via a cell phone because he does not feel well, and then the parent comes to school to pick the student up, this will not be a legitimate absence. A student **MUST** see the school secretary if he is not feeling well, and the secretary will determine whether or not the student should go home. Any attempt to bypass the office and have the parent come to school to pick up the student will result

in an unexcused absence.

The following consequences for violating the Electronic Device Policy will apply:

1. The first violation will result in the device being taken away, and a warning will be issued; the device will be returned to student at the end of the day.
2. The second violation will result in the device being taken for the day and parent must pick up the device.
3. Any student in violation of the policy three times will not be permitted to have any electronic devices (cell phones, iPods, etc.) of any kind in school for the remainder of the school year even if the device is turned off and not being used.

(River View School Policy ACAA, Adopted 6/19/95)

SHAKEDOWN OR STRONG ARM

TRUANCY

Students who are excessively truant from school, as defined by board policy, will be referred to juvenile court.

VANDALISM AND/OR DESTRUCTION OF PROPERTY

Damage which is deliberate, careless, or caused by accident must be paid for by the individual found responsible. Such damage responsibility shall be enforced either on school or private property, on school grounds, or during school activities, functions or events off school grounds.

Each student must take his/her **tray** to the food disposal area when finished eating and leave no food or debris on the table or floor. NO FOOD is to be taken from the cafeteria without approval of a school staff member.

CONSEQUENCES

Logical and reasonable steps will be taken by the classroom teacher when discipline is necessary. Continued misbehavior will result in disciplinary action being taken by the principal. In the event that misconduct continues and/or serious violations of school rules occur, out of school suspensions and/or recommendation for expulsion may result.

PART II - SEARCH AND SEIZURE AND INTERROGATION

SEARCH AND SEIZURE

Student lockers and furniture are the property of the school, and a general search of lockers and furniture may be conducted at any time. Whenever possible, students shall be advised in advance of the search. A search in the absence of student notification may be made where a suspected item, or items, poses a clear and present danger to health and safety. Items which can be used to disrupt or interfere with the educational process may be removed from student possession. Students shall not use lockers or property in such a way to interfere with school discipline or the normal operation of school. If a school official believes that an individual has on his person or property, a weapon or substance dangerous to persons or property, then the official has the right to search and seize.

If the suspicion is that the person is concealing evidence of a crime, it is possible that the authorities may be notified.

INTERROGATION

Interrogation of students by school officials is authorized concerning misconduct or crimes which may have occurred relating to the school day or school functions or activities. Such interrogation may be conducted for the purpose of maintaining an orderly school operation, protecting health and safety of students and staff, or determining the presence of dangerous weapons or other prohibited materials. In Criminal Investigation, police should secure permission from school officials before interrogating during school hours. Parents shall be notified if possible, prior to the interrogation.

PART III - APPLICATION OF THE CODE

JURISDICTION

This code and its provisions shall be applicable both during regularly scheduled school hours as well as at other times and places, including but not limited to school sponsored events, field trips, athletic and music functions and similar activities, where appropriate public school administrators have jurisdiction over students.

ALTERNATIVE DISCIPLINARY STRATEGIES

There are other disciplinary practices which are effective and are not covered in the Student Code. Teachers and administrators are encouraged to develop and utilize a variety of informal disciplinary/guidance strategies to maintain effective learning conditions.

SUSPENSIONS AND EXPULSIONS

Suspensions and expulsions will be resorted to after other alternate strategies have failed or when students' actions, by their nature, warrant formal procedures including suspension or expulsion. A student may be suspended by the principal for up to ten (10) days by law. Recommendation for expulsion would be appropriate for longer disciplinary action.

DIFFERENCES BY GRADES AND STUDENT AGE

The Student Code is broadly relevant to all schools of the River View District. However, there is a recognized distinction between students of different age and maturity levels. Thus, it is reasonable to expect that resorting to the more formal steps of denying educational participation will be tempered by reference to such distinctions.

Notification of Rights under FERPA
For Elementary and Secondary Schools**

The **Family Educational Rights and Privacy Act (FERPA)** affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 45 days of the day the School receives a request for access.

Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask the School to amend a record should write the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent the FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the River View Local School District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the River View Local School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

RIVER VIEW LOCAL SCHOOL DISTRICT

COMPUTER NETWORK / INTERNET MANAGEMENT AND USE

RULES FOR STUDENT USE

Please read this document carefully before signing. This is a legally binding agreement indicating the parties signing it have read the terms and conditions carefully and understand their significance. The details of this agreement reflect Board Policy.

The River View Local School District Board of Education recognizes that an effective educational system develops students who are globally aware, civically engaged, and capable of managing their lives and careers. The board also believes that students need to be proficient users of information, media, and technology to succeed in a digital world.

Therefore, the River View Local School District will use technology resources as a powerful and compelling means for students to learn core subjects and apply skills in relevant and rigorous ways. It is the district's goal to provide students with rich and ample opportunities to use technology for important purposes just as individuals in workplaces and other real-life settings. The district's technology resources will enable educators and students to communicate, learn, share, collaborate and create, to think and solve problems, to manage their work, and to take ownership of their lives.

Filtering and Monitoring

Filtering software is used to block or filter access to visual depictions that are obscene and all child pornography in accordance with the Children's Internet Protection Act (CIPA). Other objectionable material could be filtered. The determination of what constitutes "other objectionable" material is a local decision. The District will also have procedures or guidelines that provide for monitoring the online activities of users and the use of the chosen technology protection measure to protect against access through such computers to visual depictions that are obscene, pornographic, or harmful to minors, as those terms are defined in CIPA.

The procedures or guidelines will be designed to:

- Provide for monitoring the online activities of users to prevent, to the extent practicable, access by minors to inappropriate matter on the Internet;
- Promote the safety and security of minors when using electronic mail, chat, and other forms of direct electronic communications;
- Prevent unauthorized access, including so-called "hacking," and other unauthorized activities by minors online;
- Prevent the unauthorized disclosure, use and sharing of personal identification information regarding minors; and
- Restrict minors' access to materials "harmful to minors," as that term is defined in CIPA.

Pursuant to Federal law, students will receive education about appropriate online behavior annually, including: (a) access by minors to inappropriate matter on the Internet; (b) the safety and security of minors while interacting with other individuals on social networking websites, using e-mail, chat rooms, other forms of direct electronic communications, and cyberbullying awareness and response; (c) unauthorized access (e.g., "hacking") and other unlawful activities by minors online; (d) unauthorized disclosure, use, and dissemination of personal information regarding minors; and (e) measures restricting minors' access to materials harmful to them, annually.

Parents should be aware that:

1. Filtering software is not 100% effective. While filters make it more difficult for objectionable material to be received or accessed; filters are not a solution in themselves. Every user must take personal responsibility for the use of the RV network and Internet while avoiding objectionable sites.
2. Users/parents/guardians are advised that use of any network may include the potential for accessing web

sites with inappropriate materials. It is the responsibility of all users to attempt to avoid these sites through prudent use of the Internet. If a student accidentally accesses one of these sites, they should immediately exit from that site and/or notify a staff member.

3. Any attempts to defeat or bypass the district's Internet filter or conceal Internet activity are prohibited, whether the attempt is made with district-owned equipment or a personal technological device. The attempts include use of proxies, https, special ports, third party applications, modifications to district browser settings, Chrome extensions/applications and any other techniques designed to evade filtering or enable the publication of inappropriate content.
4. River View Local School District is not responsible for students accessing information from personal mobile devices using network access outside of the River View Local School District network.
