March 10, 2020

Dear Parent(s) or Guardian(s):

We are currently monitoring the Coronavirus Disease, known as COVID-19. We are working closely with the county health department and the county emergency management office to stay informed about the spread of this disease and to understand what we can do to prepare for a possible outbreak in our area.

I am attaching information from the local health departments and the Ohio Department of Health for you to review. These fact sheets provide vital information about the disease and what you can do to help. You can find more information at www.coronavirus.ohio.gov or you can call the 24 hour hotline at 1-833-4ASKODH (1-833-427-5634).

Please know that the safety and well-being of your child are the number one priority for our district. If your child is exhibiting signs of sickness, please remember to keep him or her home from school. We want to do everything possible to keep our students healthy. When we receive additional information, we will notify you.

Respectfully,

A handwritten signature in cursive script that reads "Dalton Summers".

Mr. Dalton Summers

Superintendent
